Remarks

House Beautiful! You will love this floor plan designed for todays living. The welcoming foyer is flanked by a generous sized living room and dining room decorated in up to the minute colors and style. A sun drenched family room with fireplace stretches across the back of the home overlooking the oversize bluestone patio and large private back yard. A new all white kitchen with a large center island, double ovens and gas cooktop is the heart of the home. You will love the mudroom with radiant heat flooring, direct access to the two car garage and laundry room. Second floor Master suite with two walk in closets, updated master bath with radiant heated floor. Four additional bedrooms, generous sized and the 5th bedroom can also be used as a home office. The lower level has a great playroom space, media room and wine room. All new windows, Hardy Plank Siding, Insulation in walls and attic, California Closets, professional landscaping, and a gracious new portico over the entryway and more!
